

# MOHIT KUMAR MANDHRE

Phone +918349729606  
E-mail <mailto:mohitmandhre@gmail.com>  
Date of birth 23-02-1999  
LinkedIn <https://www.linkedin.com/in/mohit-kumar-mandhre-ab451b190/>  
Github Profile <https://github.com/MohitKumarMandhre>

- To pursue post-graduate studies in Computer Science and Engineering, leading to a career in research.  
I'm also interested in computer vision and machine learning.

## Education

2016 – 2020 Shri Shankaracharya Engineering College ( SSEC, Bhilai )  
Computer Science Engineering , Graduation Percentage :- 82.65 % , CPI :- 9.2

## Skills

Programming Language :- C , C++, Core-Java, JavaScript, Python  
Data Management :- DBMS, MySQL, MongoDB, PostgreSQL, SQLite  
Web Development :- HTML, CSS, JAVASCRIPT, PHP, BOOTSTRAP  
Frameworks & Libraries :- Django, Flutter, React  
Algorithm, Data Structure, Computer Network, TOC, Compilers

## Project Activity

- ML and OpenCV**
  - Face Detection And Recognition Automated Attendance System. [\[face\]](#)
  - Movie Rating Prediction using Neural Network.
  - IPL First Inning's Score Prediction.
  - Facial Expression (mood) Detection.
  - Yawning Detection and Counter of Employees or Students.
- Python-Django Development**
  - Django Blogging full-featured Application used for writing Blogs. [\[blog\\_app\]](#)
  - E-Commerce-Application. [\[E-COMMERCE-WEB-APPLICATION\]](#)
  - Purchase-Request-Management. [\[Purchase Request Management\]](#)
  - TODO-Application does Whishlist Management. [\[to do app\]](#)
  - Django Quiz Web-App. [\[quiz web app\]](#)
- Flutter , Kotlin , React Apps**
  - Keep-App using React. [\[MKM Keep App\]](#)
  - COVID-19 Cases Tracker App uses Kotlin. [\[Covid-19-Cases-Tracker-App\]](#)
  - Keep-App using React. [\[MKM Keep App\]](#)
  - Whether Predictor. [\[Current-Whether\]](#)
  - LUCK Calculator. [\[LUCK-CALCULATOR\]](#)
- Data Management Project in Java**
  - SQL Indian Premier League (IPL) Quiz.
  - E-Library System
- AWS Projects**
  - Host a static website with HTTPS
  - Chatbot for booking a Car/Hotel
  - AWS Rekognition -Image & Video

## Certificates

- Certificate in **Complete Python Bootcamp & AWS Machine Learning** via Coursera, Udemy.
- Certification of **Internet of Things (IOT)** challenge dated by **i3indiya Technologies** presented by **IIT Bombay**.
- Certification of Introduction to **Theory of Automata( TOC )** by NPTEL by **IIT Kharagpur**.

## Extra-Curricular Activities

- Awarded certificate **Insurance Consultant (IC)** exam of Bajaj Allianz Life Insurance Company Ltd.
- Certification in **Cricket and Football Zonal Level** at Youth Festival 2017-18.
